

Privacy Policy

Last Updated: March, 2026

1. Introduction

Welcome to www.shahadathussain.com (the "Website"). This Privacy Policy explains how Shahadat Hussain, PhD collects, uses, and protects your information when you visit my professional portfolio. I am committed to protecting your privacy. This site is a personal academic portfolio and collects minimal information.

2. Information Collected

- Voluntary Information:** If you contact me via the contact form or email, I collect your name, email address, and any message content you provide.
- Automated Information:** Like most websites, this site may collect non-identifying information such as IP addresses, browser types, and visiting patterns via cookies or hosting analytics (e.g., Google Sites or third-party analytics) to improve user experience. See Google's policies for details. No personal data is collected automatically beyond standard web server logs and Google Sites analytics as aforesaid.

3. How Your Information is Used

I use your information solely to:

- Respond to your inquiries or collaboration requests.
- Provide updates regarding my research (if you have opted-in).
- Analyze website traffic to improve content relevance.

4. Data Sharing

I do not sell, trade, or rent your personal information to third parties. Information may only be shared if required by law or to protect the safety and rights of the website owner.

5. Third-Party Links

This website contains links to external sites (LinkedIn, Google Scholar, ResearchGate, etc.) which have their own policies. I am not responsible for the privacy practices or content of these third-party websites. This site uses Google services — see [Google Privacy Policy](#).

6. Contact

If you have questions about this policy, please contact me through the [contact form](#) on this website or email at contact@shahadathussain.com.

Shahadat Hussain, PhD

Researcher in Metamaterials, 3D Printing & Shape Memory Materials

Exploring advanced materials for innovative applications
